

REFLECTIVE PERFECTED.

3M™ Scotchlite™ Print Wrap Film 780mC-10R

It's a new way to stand out, shine bright and look great. We're proud to offer this print wrap film from 3M that commands attention at wide angles and 24/7 visibility.

This reflective film provides a dramatic appearance — any way you look at it.

KEY FEATURES AND BENEFITS:

- » Conformable and repositionable for efficient installs
- » Heat recovery properties reduce or eliminate bruising using heat
- » Wide retroreflective viewing angles for enhanced visibility
- » Removes cleanly and easily, unlike most ordinary reflective films
- » Sleek application on vehicle wraps without bruising film on curves

A BRIGHT IDEA FOR SO MANY APPLICATIONS:

- » Vehicle wraps
- » Textured walls
- » Movable assets
- » Motorcycles
- » Roadside assets
- » Parking structures
