

FELLERS

BLACK LABEL

The 13oz Super Smooth Blockout material is specially engineered to provide maximum opacity with a super smooth print face. The fabric scrim is encapsulated during a special coating process that won't allow the film to delaminate, after extended use. This material provides the highest print quality on the market.

Key Features:

- 250 x 250 denier
- Smoothest print face available
- Excellent ink adhesion for the highest print quality
- Smooth matte finish
- Fade and tear resistant
- Buy and Try Guarantee
- Print compatibility: Solvent, Eco-Solvent, Latex and UV

Available Sizes: 38" and 54" x 150 ft
