DPF 4600GLX/MLX

DPF 4600GLX/MLX is your go-to high performance calendared film providing you with an efficient and versatile solution. DPF 4600GLX/MLX can be used with or without an overlaminate while maintaining the perfect balance of body and conformability. The repositionable light gray adhesive allows for easy installation while ensuring enough opacity for covering existing graphics. The LX (Low Profile) X-Scape Technology® provides installers a bubble-free installation with a smooth, paint-like finish for a multitude of different applications from vehicle decals, to promotional signage, and interior wall. Depend on DPF 4600GLX/MLX to deliver the best results.

DPF 4600GLX / MLX is designed for use on simple to moderate curves for vehicle wraps.

Unique Features:

- ▶ Multi-Purpose Film for a Variety of Applications
- ▶ Low Profile Liner for a Smooth Finish

Applications:

- ▶ General Signage
- ▶ Partial Vehicle Wraps / Decals
- ▶ Window Graphics
- ▶ Real Estate Signage
- ▶ POP / Trade Show Graphics
- ▶ Interior Floor Graphics
