Note: Test method details available upon request

Visual Appeal

36" x 48"
Fabricated with Crystal Clear *PowerTabs*® &
PowerTape®

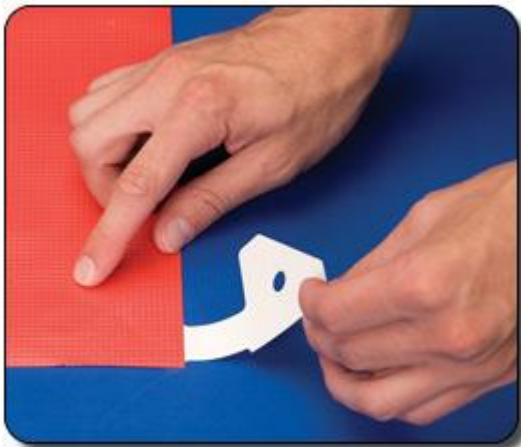

36" x 48"
Fabricated with Traditional
Stitched and Grommeted

Time Savings

As for saving time, a typical 36" x 48" banner can be fabricated in 3-5 minutes. The same banner double stitched and grommeted would take 15-20 minutes if done on site and could be days if you have to send the banner to a fabricator.
